### Welshpool & Llanfair Pickering Coaches

W & L Pickering coaches are offered in the simplified G.W.R. chocolate and cream livery and in green and cream. The coaches feature full seating detail and working fall plates. Construction is plastic with die cast metal bogies. In its G.W.R. guise the brake composite is available with two running numbers, 6338 or 6466, the 3rd Class saloon is numbered 4154. The coaches come with a 45mm insulated wheel set fitted but a 32mm wheel set is provided for use on '0' gauge. Couplings are chopper type but have a hook fitted if you wish to remove the chopper hook and use 3 link chains.
