'Brunel' 0-4-0 Vertical Boiler

This entry level model with its geared drive provides a powerful loco with a lot of features not ordinarily seen on a low budget model. Its size and scale allows it to sit comfortably in both 'G' and '7/8' Scales. Features include a ceramic gas burner, pressure gauge, water level gauge with blow down valve, water top up valve and a displacement lubricator

Product Specifications

Scale: 1:19 (16mm/ft) but comfortable with 1:13.7 (7/8"/ft)

Cylinder: Single double acting 9.5mm bore x 14mm stroke.
