

PRODUCT SHEET
ACCUCRAFT UK LTD
Lynton & Barnstaple 'Howard' Van'

Accucraft UK have announced their next addition to the existing fleet of L&B rolling stock. Four of these vans were in operation on the L&B and were manufactured by J & F Howard of Bedford in 1927. Since the vans only ever carried Southern livery they will be offered in SR brown and L&B grey (data only). The SR livery will be available in four different running numbers vans only ever carried Southern livery they will be offering them in SR brown and L&B grey (data only). They will make a great generic van, of a type seen all round the world on narrow gauge networks.
