Steam Powered Garden Railways

## PRODUCT SHEET

MAMOD

### Steam Roller 1312

MAMOD had been producing the steam roller since 1961 with well over 200,000 units being produced. This simple and robust model is an excellent choice for a first steamer. It comes with a whistle, safety valve (set at 1.5Bar), water level window, forward and reverse lever, steering extension control. Fired by solid fuel tablets (supplied)

Specifications are subject to update as development and production proceed and may change without notice.
