

ROUNDHOUSE ENG. CO (UK)

Standard Colours and Options

Standard Colours

All Roundhouse models, with the exception of 'Sammie', are available in any of the following standard colours. Please remember to select your preferred colour when you order.

					
Black RAL9005	DHR blue RAL5009	Blue BS105	Deep Brunswick green BS227	Crimson Lake BS473	Brown RAL8003
					
Deep Bronze Green BS224	Yellow BS356	Maroon RAL3004	FR Victorian Maroon BS541	WD grey BS637	

Please note that the colours shown above and in pictures are for guidance only. Due to the many variations in photographing in differing light conditions and settings, producing digitized images and displaying them on monitors of almost limitless quality and capability plus slight variation in paint shade from one mix to the next, they cannot be relied on as being accurate.

Other Options

Options available may include (or not include) the following

- Radio (Remote) Control
- Wheels (track) gauge adjustment (32mm and 45mm gauge.)
- Insulated Wheels.
- Sound system for electric models (engine sound and horn)
- Enhancements (Functional & Aesthetic) to dress up your loco.
- Some models now supplied fitted with an Exhaust Enhancer (Chuffer) as standard
