## 3/4" Scale Sentinel DG6 Lorry, Live Steam

(More images below)

The latest 3/4in Scale Live steam model is the ever popular sentinel DG6 steam wagon. Fully radio controlled it offers complete manoeuvrability while enjoying an authentic steam experience. This model faithfully captures the fully size DG6 (double gear) features including the distinctive cab and water tank, working tipper body, independent front suspension, 4 rear wheels. with under type engine. Three liveries will be offered:

- Dark blue body with red lining, black chassis, dark blue wheels.
- Maroon body with yellow lining, black chassis, maroon wheels.
- Green body with yellow lining, black chassis, green wheels.
