Steam Powered Garden Railways

PRODUCT SHEET

MAXITRAK

MAXITRAX (UK)

Allchin Traction Engine, 1.5" Scale, Live Steam

Following the success of the 3/4" Allchin, Maxitrak have produced a double size version in 1.5" Scale. Based on the 7 hp version illustrated in the 1893 catalogue of William Allchin Globe Works, England.

For extended running all Argyle's 1.5" Allchin's are fitted with a Water Belly Tank, Hand Pump and a Crankshaft Pump. The model is produced as 'Ready to Run' but is shipped partially dismantled and will require the wheels, flywheel and some other vulnerable items to be assembled upon receipt.
